| Article Name               | Anti-Keratocan Antibody Picoband Fluoro488 Conjugated, Rabbit, Polyclonal                                                                           |
| Biozol Catalog Number      | BOB-PB9653-FLUORO488                                                                                                                                |
| Supplier Catalog Number    | PB9653-Fluoro488                                                                                                                                    |
| Alternative Catalog Number | BOB-PB9653-FLUORO488-100UG                                                                                                                          |
| Manufacturer               | Boster Bio                                                                                                                                          |
| Host                       | Rabbit                                                                                                                                              |
| Category                   | Antikörper                                                                                                                                          |
| Application                | FC                                                                                                                                                  |
| Species Reactivity         | Human, Mouse                                                                                                                                        |
| Immunogen                  | A synthetic peptide corresponding to a sequence at the C-terminus of human Keratocan, different from the related mouse sequence by two amino acids. |
| Clonality                  | Polyclonal                                                                                                                                          |
| Molecular Weight           | Calculated Molecular Weight: 40509 MW                                                                                                               |
| NCBI                       | <a href="#">11081</a>                                                                                                                               |
| UniProt                    | <a href="#">O60938</a>                                                                                                                              |
| Buffer                     | Each vial contains 50% glycerol, 0.9% NaCl, 0.2% Na <sub>2</sub> HPO <sub>4</sub> , 0.02% NaN <sub>3</sub> .                                        |

|                    |                                                                      |
|--------------------|----------------------------------------------------------------------|
| Purity             | Immunogen affinity purified.                                         |
| Form               | Liquid                                                               |
| Target             | Keratocan                                                            |
| Application Dilute | Flow Cytometry, Optimal dilutions should be determined by end users. |
