| Article Name               | Anti-KIF3A Antibody Picoband PE Conjugated, Rabbit, Polyclonal                                                                                     |
| Biozol Catalog Number      | BOB-PB9654-PE                                                                                                                                      |
| Supplier Catalog Number    | PB9654-PE                                                                                                                                          |
| Alternative Catalog Number | BOB-PB9654-PE-100UG                                                                                                                                |
| Manufacturer               | Boster Bio                                                                                                                                         |
| Host                       | Rabbit                                                                                                                                             |
| Category                   | Antikörper                                                                                                                                         |
| Application                | FC                                                                                                                                                 |
| Species Reactivity         | Human, Mouse, Rat                                                                                                                                  |
| Immunogen                  | E.coli-derived human KIF3A recombinant protein (Position: D485-Q699). Human KIF3A shares 97.7% amino acid (aa) sequence identity with mouse KIF3A. |
| Clonality                  | Polyclonal                                                                                                                                         |
| Molecular Weight           | Calculated Molecular Weight: 80041 MW                                                                                                              |
| NCBI                       | <a href="#">11127</a>                                                                                                                              |
| UniProt                    | <a href="#">Q9Y496</a>                                                                                                                             |
| Buffer                     | Each vial contains 50% glycerol, 0.9% NaCl, 0.2% Na <sub>2</sub> HPO <sub>4</sub> , 0.02% Na <sub>3</sub> .                                        |
| Purity                     | Immunogen affinity purified.                                                                                                                       |

|                    |                                                                      |
|--------------------|----------------------------------------------------------------------|
| Form               | Liquid                                                               |
| Target             | Kinesin-like protein KIF3A                                           |
| Application Dilute | Flow Cytometry, Optimal dilutions should be determined by end users. |
