| Article Name               | Anti-Growth Hormone/GH1 Antibody Picoband Biotin Conjugated, Rabbit, Polyclonal                             |
| Biozol Catalog Number      | BOB-RP1023-BIOTIN                                                                                           |
| Supplier Catalog Number    | RP1023-Biotin                                                                                               |
| Alternative Catalog Number | BOB-RP1023-BIOTIN-100UG                                                                                     |
| Manufacturer               | Boster Bio                                                                                                  |
| Host                       | Rabbit                                                                                                      |
| Category                   | Antikörper                                                                                                  |
| Application                | ELISA, IHC, WB                                                                                              |
| Species Reactivity         | Human                                                                                                       |
| Immunogen                  | E. coli-derived human GH recombinant protein (Position: F27-F217).                                          |
| Clonality                  | Polyclonal                                                                                                  |
| Molecular Weight           | Calculated Molecular Weight: 24847 MW                                                                       |
| NCBI                       | <a href="#">2688</a>                                                                                        |
| UniProt                    | <a href="#">P01241</a>                                                                                      |
| Buffer                     | Each vial contains 50% glycerol, 0.9% NaCl, 0.2% Na <sub>2</sub> HPO <sub>4</sub> , 0.02% Na <sub>3</sub> . |
| Purity                     | Immunogen affinity purified.                                                                                |

|                    |                                                                                                                                                                                                                                       |
|--------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Form               | Liquid                                                                                                                                                                                                                                |
| Target             | Somatotropin                                                                                                                                                                                                                          |
| Application Dilute | Western blot, Optimal dilutions should be determined by end users. Immunohistochemistry (Paraffin-embedded Section), Optimal dilutions should be determined by end users. ELISA, Optimal dilutions should be determined by end users. |
