## Product Datasheet

### **Anti-Growth Hormone/GH1 Antibody Picoband Fluoro647 Conjugated, Rabbit, Polyclonal BOB-RP1023-FLUORO647**

|                            |                                                                                                             |
|----------------------------|-------------------------------------------------------------------------------------------------------------|
| Article Name               | Anti-Growth Hormone/GH1 Antibody Picoband Fluoro647 Conjugated, Rabbit, Polyclonal                          |
| Biozol Catalog Number      | BOB-RP1023-FLUORO647                                                                                        |
| Supplier Catalog Number    | RP1023-Fluoro647                                                                                            |
| Alternative Catalog Number | BOB-RP1023-FLUORO647-100UG                                                                                  |
| Manufacturer               | Boster Bio                                                                                                  |
| Host                       | Rabbit                                                                                                      |
| Category                   | Antikörper                                                                                                  |
| Application                | FC                                                                                                          |
| Species Reactivity         | Human                                                                                                       |
| Immunogen                  | E. coli-derived human GH recombinant protein (Position: F27-F217).                                          |
| Clonality                  | Polyclonal                                                                                                  |
| Molecular Weight           | Calculated Molecular Weight: 24847 MW                                                                       |
| NCBI                       | <a href="#">2688</a>                                                                                        |
| UniProt                    | <a href="#">P01241</a>                                                                                      |
| Buffer                     | Each vial contains 50% glycerol, 0.9% NaCl, 0.2% Na <sub>2</sub> HPO <sub>4</sub> , 0.02% Na <sub>3</sub> . |
| Purity                     | Immunogen affinity purified.                                                                                |

|                    |                                                                      |
|--------------------|----------------------------------------------------------------------|
| Form               | Liquid                                                               |
| Target             | Somatotropin                                                         |
| Application Dilute | Flow Cytometry, Optimal dilutions should be determined by end users. |
