| Article Name               | Anti-SNAP25 Antibody Picoband APC Conjugated, Rabbit, Polyclonal                                                                                                 |
| Biozol Catalog Number      | BOB-A01625-1-APC                                                                                                                                                 |
| Supplier Catalog Number    | A01625-1-APC                                                                                                                                                     |
| Alternative Catalog Number | BOB-A01625-1-APC-100UG                                                                                                                                           |
| Manufacturer               | Boster Bio                                                                                                                                                       |
| Host                       | Rabbit                                                                                                                                                           |
| Category                   | Antikörper                                                                                                                                                       |
| Application                | FC                                                                                                                                                               |
| Species Reactivity         | Human, Mouse, Rat                                                                                                                                                |
| Immunogen                  | E.coli-derived human SNAP25 recombinant protein (Position: R31-L203). Human SNAP25 shares 100% amino acid (aa) sequence identity with both mouse and rat SNAP25. |
| Clonality                  | Polyclonal                                                                                                                                                       |
| Molecular Weight           | Calculated Molecular Weight: 52588 MW                                                                                                                            |
| NCBI                       | <a href="#">6616</a>                                                                                                                                             |
| UniProt                    | <a href="#">P60880</a>                                                                                                                                           |
| Buffer                     | Each vial contains 50% glycerol, 0.9% NaCl, 0.2% Na <sub>2</sub> HPO <sub>4</sub> , 0.02% Na <sub>3</sub> .                                                      |
| Purity                     | Immunogen affinity purified.                                                                                                                                     |

|                    |                                                                      |
|--------------------|----------------------------------------------------------------------|
| Form               | Liquid                                                               |
| Target             | Synaptosomal-associated protein 25                                   |
| Application Dilute | Flow Cytometry, Optimal dilutions should be determined by end users. |
