| Article Name               | Anti-FBXL11/KDM2A Antibody Picoband FITC Conjugated, Rabbit, Polyclonal                                                                                                                   |
| Biozol Catalog Number      | BOB-A03027-1-FITC                                                                                                                                                                         |
| Supplier Catalog Number    | A03027-1-FITC                                                                                                                                                                             |
| Alternative Catalog Number | BOB-A03027-1-FITC-100UG                                                                                                                                                                   |
| Manufacturer               | Boster Bio                                                                                                                                                                                |
| Host                       | Rabbit                                                                                                                                                                                    |
| Category                   | Antikörper                                                                                                                                                                                |
| Application                | FC                                                                                                                                                                                        |
| Species Reactivity         | Human, Mouse, Rat                                                                                                                                                                         |
| Immunogen                  | A synthetic peptide corresponding to a sequence at the N-terminus of human FBXL11, which shares 97.1% and 100% amino acid (aa) sequence identity with mouse and rat FBXL11, respectively. |
| Clonality                  | Polyclonal                                                                                                                                                                                |
| NCBI                       | <a href="#">22992</a>                                                                                                                                                                     |
| UniProt                    | <a href="#">Q9Y2K7</a>                                                                                                                                                                    |
| Buffer                     | Each vial contains 50% glycerol, 0.9% NaCl, 0.2% Na <sub>2</sub> HPO <sub>4</sub> , 0.02% Na <sub>3</sub> .                                                                               |
| Purity                     | Immunogen affinity purified.                                                                                                                                                              |

|                    |                                                                      |
|--------------------|----------------------------------------------------------------------|
| Form               | Liquid                                                               |
| Target             | Lysine-specific demethylase 2A                                       |
| Application Dilute | Flow Cytometry, Optimal dilutions should be determined by end users. |
