### Anti-E2F3 Antibody Picoband FITC Conjugated, Rabbit, Polyclonal BOB-A03068-2-FITC

|                            |                                                                                                                                                      |
|----------------------------|------------------------------------------------------------------------------------------------------------------------------------------------------|
| Article Name               | Anti-E2F3 Antibody Picoband FITC Conjugated, Rabbit, Polyclonal                                                                                      |
| Biozol Catalog Number      | BOB-A03068-2-FITC                                                                                                                                    |
| Supplier Catalog Number    | A03068-2-FITC                                                                                                                                        |
| Alternative Catalog Number | BOB-A03068-2-FITC-100UG                                                                                                                              |
| Manufacturer               | Boster Bio                                                                                                                                           |
| Host                       | Rabbit                                                                                                                                               |
| Category                   | Antikörper                                                                                                                                           |
| Application                | FC                                                                                                                                                   |
| Species Reactivity         | Human, Mouse, Rat                                                                                                                                    |
| Immunogen                  | A synthetic peptide corresponding to a sequence at the C-terminus of human E2F3, which shares 95% amino acid (aa) sequence identity with mouse E2F3. |
| Clonality                  | Polyclonal                                                                                                                                           |
| Molecular Weight           | Calculated Molecular Weight: 49162 MW                                                                                                                |
| NCBI                       | <a href="#">1871</a>                                                                                                                                 |
| UniProt                    | <a href="#">O00716</a>                                                                                                                               |
| Buffer                     | Each vial contains 50% glycerol, 0.9% NaCl, 0.2% Na <sub>2</sub> HPO <sub>4</sub> , 0.02% Na <sub>3</sub> .                                          |
| Purity                     | Immunogen affinity purified.                                                                                                                         |

|                    |                                                                      |
|--------------------|----------------------------------------------------------------------|
| Form               | Liquid                                                               |
| Target             | Transcription factor E2F3                                            |
| Application Dilute | Flow Cytometry, Optimal dilutions should be determined by end users. |
