## Product Datasheet

### Anti-E2F3 Antibody Picoband Biotin Conjugated, Rabbit, Polyclonal BOB-A03068-3-BIOTIN

|                            |                                                                                                             |
|----------------------------|-------------------------------------------------------------------------------------------------------------|
| Article Name               | Anti-E2F3 Antibody Picoband Biotin Conjugated, Rabbit, Polyclonal                                           |
| Biozol Catalog Number      | BOB-A03068-3-BIOTIN                                                                                         |
| Supplier Catalog Number    | A03068-3-Biotin                                                                                             |
| Alternative Catalog Number | BOB-A03068-3-BIOTIN-100UG                                                                                   |
| Manufacturer               | Boster Bio                                                                                                  |
| Host                       | Rabbit                                                                                                      |
| Category                   | Antikörper                                                                                                  |
| Application                | ELISA, IHC, WB                                                                                              |
| Species Reactivity         | Human                                                                                                       |
| Immunogen                  | E.coli-derived human E2F3 recombinant protein (Position: E270-A320).                                        |
| Clonality                  | Polyclonal                                                                                                  |
| Molecular Weight           | Calculated Molecular Weight: 49162 MW                                                                       |
| NCBI                       | <a href="#">1871</a>                                                                                        |
| UniProt                    | <a href="#">O00716</a>                                                                                      |
| Buffer                     | Each vial contains 50% glycerol, 0.9% NaCl, 0.2% Na <sub>2</sub> HPO <sub>4</sub> , 0.02% Na <sub>3</sub> . |
| Purity                     | Immunogen affinity purified.                                                                                |
| Form                       | Liquid                                                                                                      |

|                    |                                                                                                                                                                                                                                       |
|--------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Target             | Transcription factor E2F3                                                                                                                                                                                                             |
| Application Dilute | Western blot, Optimal dilutions should be determined by end users. Immunohistochemistry (Paraffin-embedded Section), Optimal dilutions should be determined by end users. ELISA, Optimal dilutions should be determined by end users. |
