| Species Reactivity         | Human                                                                                                                                                                                                                                                        |
| Immunogen                  | E.coli-derived human Sprouty 4/Spry-4/SPRY4 recombinant protein (Position: M1-K297).                                                                                                                                                                         |
| Product Description        | Boster Bio Anti-Sprouty 4/Spry-4/SPRY4 Antibody Picoband catalog A04343-2. Tested in ELISA, Flow Cytometry, IHC, WB applications. This antibody reacts with Human. The brand Picoband indicates this is a premium antibody that guarantees superior quali... |
| Clonality                  | Polyclonal                                                                                                                                                                                                                                                   |
| Concentration              | Adding 0.2 ml of distilled water will yield a concentration of 500 µg/ml.                                                                                                                                                                                    |
| Molecular Weight           | Observed Molecular Weight: 35 kDa                                                                                                                                                                                                                            |
| NCBI                       | <a href="#">81848</a>                                                                                                                                                                                                                                        |

|                    |                                                                                                                                                                                            |
