| Article Name               | Anti-SLAMF6 Antibody Picoband Fluoro550 Conjugated, Rabbit, Polyclonal                                                                               |
| Biozol Catalog Number      | BOB-A05310-2-FLUORO550                                                                                                                               |
| Supplier Catalog Number    | A05310-2-Fluoro550                                                                                                                                   |
| Alternative Catalog Number | BOB-A05310-2-FLUORO550-100UG                                                                                                                         |
| Manufacturer               | Boster Bio                                                                                                                                           |
| Host                       | Rabbit                                                                                                                                               |
| Category                   | Antikörper                                                                                                                                           |
| Application                | FC                                                                                                                                                   |
| Species Reactivity         | Human                                                                                                                                                |
| Immunogen                  | E.coli-derived human SLAMF6 recombinant protein (Position: Q22-V332). Human SLAMF6 shares 43.1% amino acid (aa) sequence identity with mouse SLAMF6. |
| Clonality                  | Polyclonal                                                                                                                                           |
| Molecular Weight           | Calculated Molecular Weight: 52588 MW                                                                                                                |
| NCBI                       | <a href="#">114836</a>                                                                                                                               |
| UniProt                    | <a href="#">Q96DU3</a>                                                                                                                               |
| Buffer                     | Each vial contains 50% glycerol, 0.9% NaCl, 0.2% Na <sub>2</sub> HPO <sub>4</sub> , 0.02% Na <sub>3</sub> .                                          |

|                    |                                                                      |
|--------------------|----------------------------------------------------------------------|
| Purity             | Immunogen affinity purified.                                         |
| Form               | Liquid                                                               |
| Target             | SLAM family member 6                                                 |
| Application Dilute | Flow Cytometry, Optimal dilutions should be determined by end users. |
