| Manufacturer               | Boster Bio                                                                                                                                                                                                                                                   |
| Host                       | Rabbit                                                                                                                                                                                                                                                       |
| Category                   | Antikörper                                                                                                                                                                                                                                                   |
| Application                | FC, ICC, IF, IHC, WB                                                                                                                                                                                                                                         |
| Species Reactivity         | Human, Mouse, Rat                                                                                                                                                                                                                                            |
| Immunogen                  | A synthetic peptide corresponding to a sequence at the C-terminus of human RPL32, identical to the related mouse and rat sequences.                                                                                                                          |
| Product Description        | Boster Bio Anti-RPL32 Antibody Picoband catalog A06487-2. Tested in Flow Cytometry, IF, IHC, ICC, WB applications. This antibody reacts with Human, Mouse, Rat. The brand Picoband indicates this is a premium antibody that guarantees superior quality,... |
| Clonality                  | Polyclonal                                                                                                                                                                                                                                                   |
| Concentration              | Adding 0.2 ml of distilled water will yield a concentration of 500 µg/ml.                                                                                                                                                                                    |
| Molecular Weight           | Observed Molecular Weight: 18 kDa                                                                                                                                                                                                                            |
| NCBI                       | <a href="#">6161</a>                                                                                                                                                                                                                                         |

|                    |                                                                                                                                                                                                                                                                            |
