## Product Datasheet

### **citrate synthase Antibody, Unconjugated, Rabbit, Polyclonal BYT-ORB556707**

|                            |                                                                                                                                      |
|----------------------------|--------------------------------------------------------------------------------------------------------------------------------------|
| Article Name               | citrate synthase Antibody, Unconjugated, Rabbit, Polyclonal                                                                          |
| Biozol Catalog Number      | BYT-ORB556707                                                                                                                        |
| Supplier Catalog Number    | orb556707                                                                                                                            |
| Alternative Catalog Number | BYT-ORB556707-100                                                                                                                    |
| Manufacturer               | Biorbyt                                                                                                                              |
| Host                       | Rabbit                                                                                                                               |
| Category                   | Antikörper                                                                                                                           |
| Application                | ICC, IHC, IHC-Fr, IHC-P, IP, WB                                                                                                      |
| Species Reactivity         | Frog, Gallus, Human, Monkey, Mouse, Rat, Zebrafish                                                                                   |
| Immunogen                  | Recombinant protein encompassing a sequence within the center region of human Citrate synthetase. The exact sequence is proprietary. |
| Conjugation                | Unconjugated                                                                                                                         |
| Product Description        | Rabbit polyclonal antibody to Citrate synthetase...                                                                                  |
| Clonality                  | Polyclonal                                                                                                                           |
| Concentration              | 1.03 mg/ml                                                                                                                           |
| Molecular Weight           | 52                                                                                                                                   |
| UniProt                    | <a href="#">O75390</a>                                                                                                               |
| Buffer                     | PBS, 20% Glycerol, 0.025% ProClin 300.                                                                                               |

|                    |                                                                                    |
|--------------------|------------------------------------------------------------------------------------|
| Purity             | Purified by antigen-affinity chromatography.                                       |
| Form               | Liquid: 1XPBS, 20% Glycerol (pH7). 0.025% ProClin 300 was added as a preservative. |
| Target             | Citrate synthetase                                                                 |
| Application Dilute | WB: 1:500-1:3000 , IF: 1:100-1:1000 , IHC-P: 1:100-1:1000 , IP: 1:100-1:500        |
| Application Notes  | Application Notes: Positive control: mouse brain , rat brain , Rat muscle , 293T   |
