| Manufacturer               | Biorbyt                                                                                                                                                                           |
| Host                       | Rabbit                                                                                                                                                                            |
| Category                   | Antikörper                                                                                                                                                                        |
| Application                | ELISA, ICC, IF, IHC-P, WB                                                                                                                                                         |
| Species Reactivity         | Human, Mouse                                                                                                                                                                      |
| Immunogen                  | TLR3 antibody was raised against a peptide corresponding to 15 amino acids near the carboxy terminus of human TLR3.The immunogen is located within amino acids 780 - 830 of TLR3. |
| Conjugation                | Unconjugated                                                                                                                                                                      |
| Product Description        | TLR3 Antibody...                                                                                                                                                                  |
| Clonality                  | Polyclonal                                                                                                                                                                        |
| Concentration              | 1 mg/mL                                                                                                                                                                           |
| Molecular Weight           | Predicted: 99 kDa Observed: 105 kDa                                                                                                                                               |

| Buffer            | TLR3 Antibody is supplied in PBS containing 0.02% sodium azide.                                                                                                                                                                                                                                                                                                                                                                                                                                                                    |
| Form              | Liquid                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                             |
| Target            | TLR3                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                               |
| Application Notes | <p>Application Notes: TLR3 antibody can be used for detection of TLR3 by Western blot at 0.5 to 2 µg/mL. Antibody can also be used for immunocytochemistry starting at 1 µg/mL and immunohistochemistry starting at 2 µg/mL. For immunofluorescence start at 10 µg/mL. Antibody validated: Western Blot in human and mouse samples, Immunohistochemistry in human and mouse samples, Immunocytochemistry in mouse samples and Immunofluorescence in human and mouse samples. All other applications and species not yet tested</p> |
