| Host                       | Rabbit                                                                                                                         |
| Category                   | Antikörper                                                                                                                     |
| Application                | ICC, IF                                                                                                                        |
| Immunogen                  | KLH conjugated synthetic peptide derived from human DGCR6 (112-180/220aa)                                                      |
| Conjugation                | Cy3                                                                                                                            |
| Product Description        | DGCR6 Rabbit Polyclonal Antibody (Cy3) is a Cy3 conjugated antibody targeting DGCR6. This antibody is suitable for ICC, IF.... |
| Clonality                  | Polyclonal                                                                                                                     |
| Concentration              | 1mg/ml                                                                                                                         |
| Buffer                     | 0.01M TBS (pH7.4) with 1% rAlbumin, 0.02% Proclin300 and 50% Glycerol.                                                         |
| Target                     | DGCR6                                                                                                                          |
| Application Dilute         | ICC/IF=1:50-200, IF=1:100-500                                                                                                  |
