| Immunogen                  | KLH conjugated synthetic peptide derived from mouse CXCL10 (35-98/98aa)                                                                                                                     |
| Conjugation                | APC                                                                                                                                                                                         |
| Product Description        | CXCL10/IP10 Rabbit Polyclonal Antibody (APC) is a APC conjugated antibody targeting CXCL10. This antibody is suitable for FC, IF. It exhibits reactivity with Human, Mouse, Rat samples.... |
| Clonality                  | Polyclonal                                                                                                                                                                                  |
| Concentration              | 1mg/ml                                                                                                                                                                                      |
| Buffer                     | 0.01M TBS (pH7.4) with 1% rAlbumin, 0.02% Proclin300 and 50% Glycerol.                                                                                                                      |
| Target                     | CXCL10                                                                                                                                                                                      |

Application Dilute

Flow-Cyt=1ug/Test, IF=1:100-500
