| Species Reactivity         | Human, Mouse                                                                                                                                                              |
| Immunogen                  | KLH conjugated synthetic peptide derived from human FoxP3 (331-431/431aa)                                                                                                 |
| Conjugation                | PE                                                                                                                                                                        |
| Product Description        | FOXP3 Rabbit Polyclonal Antibody (PE) is a PE conjugated antibody targeting FoxP3. This antibody is suitable for FC. It exhibits reactivity with Human, Mouse samples.... |
| Clonality                  | Polyclonal                                                                                                                                                                |
| Concentration              | 1mg/ml                                                                                                                                                                    |
| Buffer                     | 0.01M TBS (pH7.4) with 1% rAlbumin, 0.02% Proclin300 and 50% Glycerol.                                                                                                    |
| Target                     | FoxP3                                                                                                                                                                     |
