| Manufacturer               | Biorbyt                                                                                                                     |
| Host                       | Rabbit                                                                                                                      |
| Category                   | Antikörper                                                                                                                  |
| Application                | ELISA, WB                                                                                                                   |
| Species Reactivity         | Human                                                                                                                       |
| Immunogen                  | Recombinant fragment corresponding to 308-491aa of human SSX2IP.                                                            |
| Conjugation                | Unconjugated                                                                                                                |
| Product Description        | Rabbit polyclonal antibody to SSX2IP...                                                                                     |
| Clonality                  | Polyclonal                                                                                                                  |
| Molecular Weight           | 71KD                                                                                                                        |
| Form                       | Lyophilized power with 1% rAlbumin and 0.02% NaN <sub>3</sub> . Or dissolved in sterile H <sub>2</sub> O with 50% glycerol. |
| Target                     | SSX2IP                                                                                                                      |
| Application Dilute         | WB: 1:800-1:2,000. ELISA: 1:20,000-1:80,000                                                                                 |

Application Notes

Application Notes: Reconstitute in 100 $\mu$ L of sterile H<sub>2</sub>O with 50% glycerol
