## Product Datasheet

### Human CEACAM-5 coupled magnetic beads (2 µm) ABS-MBC-K192-10MG

|                            |                                                                                        |
|----------------------------|----------------------------------------------------------------------------------------|
| Article Name               | Human CEACAM-5 coupled magnetic beads (2 µm)                                           |
| Biozol Catalog Number      | ABS-MBC-K192-10MG                                                                      |
| Supplier Catalog Number    | MBC-K192-10mg                                                                          |
| Alternative Catalog Number | ABS-MBC-K192-10MG                                                                      |
| Manufacturer               | AcroBiosystems                                                                         |
| Category                   | Sonstiges                                                                              |
| Species Reactivity         | Human                                                                                  |
| Product Description        | Human CEACAM5 coupled magnetic beads (2 µm) is expressed from Human . - Sonstiges...   |
| Form                       | Powder                                                                                 |
| Target                     | CEACAM-5                                                                               |
| Application Notes          | This product is intended for immunocapture, biopanning. This is a non-sterile product. |
