### Polyclonal Antibody to DUBA ABI-11-3014

|                            |   |
|----------------------------|---|
| Article Name               | Polyclonal Antibody to DUBA   |
| Biozol Catalog Number      | ABI-11-3014   |
| Supplier Catalog Number    | 11-3014   |
| Alternative Catalog Number | ABI-11-3014-100UG   |
| Manufacturer               | Abeomics  |
| Host                       | Rabbit  |
| Category                   | Antikörper  |
| Application                | WB  |
| Species Reactivity         | Human, Mouse  |
| Immunogen                  | A partial length recombinant DUBA protein (amino acids 300-520) was used as the immunogen for this antibody.  |
| Product Description        | DUBA belongs to a subfamily of 14 DUBs characterized by an OTU (Ovarian Tumor) domain. This protein suppress the type I interferon-dependent innate immune response by cleaving the polyubiquitin chain from an essential type I interferon adaptor protei... |
| Clonality                  | Polyclonal  |
| NCBI                       | <a href="#">55593</a>   |
| UniProt                    | <a href="#">Q96G74</a>  |
| Purity                     | Protein A Chromatography  |
| Form                       | Purified  |

|                    |                                  |
|--------------------|----------------------------------|
| Target             | DUBA                             |
| Application Dilute | Western blot analysis: 2-4 µg/ml |
