| Article Name               | Polyclonal Antibody to Her3/ErbB3 (Ab-1328), Rabbit                                   |
| Biozol Catalog Number      | ABI-35-1727-50                                                                        |
| Supplier Catalog Number    | 35-1727-50                                                                            |
| Alternative Catalog Number | ABI-35-1727-50-50UL                                                                   |
| Manufacturer               | Abeomics                                                                              |
| Host                       | Rabbit                                                                                |
| Category                   | Antikörper                                                                            |
| Application                | IHC, WB                                                                               |
| Species Reactivity         | Human, Mouse, Rat                                                                     |
| Immunogen                  | Peptide sequence around aa. 1326~1330 (P-D-Y-W-H) derived from Human Her3/ErbB3.      |
| Product Description        | Binds and is activated by neuregulins and NTAK....                                    |
| Clonality                  | Polyclonal                                                                            |
| NCBI                       | <a href="#">2065</a>                                                                  |
| UniProt                    | <a href="#">P21860</a>                                                                |
| Form                       | Purified                                                                              |
| Target                     | Her3/ErbB3 (Ab-1328)                                                                  |
| Application Dilute         | Predicted MW: 185kd, Western blotting: 1:500~1:1000, Immunohistochemistry: 1:50~1:100 |
