| Article Name               | Polyclonal Antibody to FOXP4, Rabbit                                  |
| Biozol Catalog Number      | ABI-35-1779-50                                                        |
| Supplier Catalog Number    | 35-1779-50                                                            |
| Alternative Catalog Number | ABI-35-1779-50-50UL                                                   |
| Manufacturer               | Abeomics                                                              |
| Host                       | Rabbit                                                                |
| Category                   | Antikörper                                                            |
| Application                | WB                                                                    |
| Species Reactivity         | Human, Mouse, Rat                                                     |
| Immunogen                  | Peptide sequence around aa.7~11(S-E-T-I-R) derived from Human FOXP4.  |
| Product Description        | Transcriptional repressor that represses lung-specific expression.... |
| Clonality                  | Polyclonal                                                            |
| NCBI                       | <a href="#">116113</a>                                                |
| UniProt                    | <a href="#">Q8IVH2</a>                                                |
| Form                       | Purified                                                              |
| Target                     | FOXP4                                                                 |
| Application Dilute         | Predicted MW: 74kd, Western blotting: 1:500~1:1000                    |
