## Product Datasheet

### Polyclonal Antibody to Rab5, Rabbit ABI-35-1796

|                            |                                                                         |
|----------------------------|-------------------------------------------------------------------------|
| Article Name               | Polyclonal Antibody to Rab5, Rabbit                                     |
| Biozol Catalog Number      | ABI-35-1796                                                             |
| Supplier Catalog Number    | 35-1796                                                                 |
| Alternative Catalog Number | ABI-35-1796-100UL                                                       |
| Manufacturer               | Abeomics                                                                |
| Host                       | Rabbit                                                                  |
| Category                   | Antikörper                                                              |
| Application                | WB                                                                      |
| Species Reactivity         | Human, Mouse, Rat                                                       |
| Immunogen                  | Peptide sequence around aa.188~192( N-P-G-A-N) derived from Human Rab5. |
| Product Description        | Required for the fusion of plasma membranes and early endosomes....     |
| Clonality                  | Polyclonal                                                              |
| NCBI                       | <a href="#">5868</a>                                                    |
| UniProt                    | <a href="#">P20339</a>                                                  |
| Form                       | Purified                                                                |
| Target                     | Rab5                                                                    |
| Application Dilute         | Predicted MW: 25kd, Western blotting: 1:500~1:1000                      |
