## Product Datasheet

### **N-Methyl-6-phenyl-4,5,6,7-tetrahydro-1,3-benzothiazol-2-amine hydrobromide, CAS [[1311316-99-0]] CBS-LCC31699**

|                            |                                                                                                     |
|----------------------------|-----------------------------------------------------------------------------------------------------|
| Article Name               | N-Methyl-6-phenyl-4,5,6,7-tetrahydro-1,3-benzothiazol-2-amine<br>hydrobromide, CAS [[1311316-99-0]] |
| Biozol Catalog Number      | CBS-LCC31699                                                                                        |
| Supplier Catalog Number    | LCC31699                                                                                            |
| Alternative Catalog Number | CBS-LCC31699-100MG, CBS-LCC31699-1G                                                                 |
| Manufacturer               | Biosynth                                                                                            |
| Category                   | Biochemikalien                                                                                      |
| Molecular Weight           | 325.27 g/mol                                                                                        |
| Sequence                   | <chem>CNC1=NC2=C(S1)CC(CC2)C3=CC=CC=C3.Br</chem>                                                    |
| CAS Number                 | [1311316-99-0]                                                                                      |
| Formula                    | C14H17BrN2S                                                                                         |
