## Product Datasheet

### 2-[[[(5-Chlorothiophen-2-yl)methyl]({[(9H-fluoren-9-yl)methoxy]carbonyl})amino}acetic acid, CAS [[2138218-85-4]] CBS-NKD21885

|                            |                                                                                                                  |
|----------------------------|------------------------------------------------------------------------------------------------------------------|
| Article Name               | 2-[[[(5-Chlorothiophen-2-yl)methyl]({[(9H-fluoren-9-yl)methoxy]carbonyl})amino}acetic acid, CAS [[2138218-85-4]] |
| Biozol Catalog Number      | CBS-NKD21885                                                                                                     |
| Supplier Catalog Number    | NKD21885                                                                                                         |
| Alternative Catalog Number | CBS-NKD21885-50MG, CBS-NKD21885-0.5G                                                                             |
| Manufacturer               | Biosynth                                                                                                         |
| Category                   | Biochemikalien                                                                                                   |
| Molecular Weight           | 427.9 g/mol                                                                                                      |
| Sequence                   | <chem>C1=CC=C2C(=C1)C(C3=CC=CC=C32)COC(=O)N(CC4=CC=C(S4)Cl)CC(=O)O</chem>                                        |
| CAS Number                 | [2138218-85-4]                                                                                                   |
| Formula                    | C22H18ClNO4S                                                                                                     |
