| Alternative Catalog Number | ABB-A18200-100UL, ABB-A18200-20UL                                                                                                                                     |
| Manufacturer               | ABclonal                                                                                                                                                              |
| Host                       | Rabbit                                                                                                                                                                |
| Category                   | Antikörper                                                                                                                                                            |
| Application                | DOT, ELISA, WB                                                                                                                                                        |
| Immunogen                  | Synthetic peptide. This information is considered to be commercially sensitive.                                                                                       |
| Purity                     | Affinity purification                                                                                                                                                 |
| Application Dilute         | WB,1:500 - 1:2000 DB,1:500 - 1:1000 ELISA,Recommended starting concentration is 1 µg/mL. Please optimize the concentration based on your specific assay requirements. |
| Application Notes          | Cross-Reactivity: Human,Mouse,Rat. Shipping: Ice Bag                                                                                                                  |
