## Product Datasheet

### UCP1 Rabbit pAb, Unconjugated, Polyclonal ABB-A18853

|                            |                                                                                 |
|----------------------------|---------------------------------------------------------------------------------|
| Article Name               | UCP1 Rabbit pAb, Unconjugated, Polyclonal                                       |
| Biozol Catalog Number      | ABB-A18853                                                                      |
| Supplier Catalog Number    | A18853                                                                          |
| Alternative Catalog Number | ABB-A18853-100UL, ABB-A18853-20UL                                               |
| Manufacturer               | ABclonal                                                                        |
| Host                       | Rabbit                                                                          |
| Category                   | Antikörper                                                                      |
| Application                | ELISA, WB                                                                       |
| Species Reactivity         | Porcine                                                                         |
| Immunogen                  | Synthetic peptide. This information is considered to be commercially sensitive. |
| Conjugation                | Unconjugated                                                                    |
| Clonality                  | Polyclonal                                                                      |
| Molecular Weight           | 33kDa                                                                           |
| NCBI                       | <a href="#">281561</a>                                                          |
| UniProt                    | <a href="#">P10861</a>                                                          |
| Purity                     | Affinity purification                                                           |

|                    |                                                                                                                                                     |
|--------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------|
| Application Dilute | WB,1:500 - 1:1000 ELISA,Recommended starting concentration is 1 µg/mL. Please optimize the concentration based on your specific assay requirements. |
| Application Notes  | Cross-Reactivity: Mouse. ResearchArea: Signal Transduction,Metabolism,Mitochondrial,Types of disease,Obesity,Cancer. Shipping: Ice Bag              |
