## Product Datasheet

### [KD Validated] COX7A2L Rabbit pAb, Unconjugated, Polyclonal ABB-A23681

|                            |                                                                                                |
|----------------------------|------------------------------------------------------------------------------------------------|
| Article Name               | [KD Validated] COX7A2L Rabbit pAb, Unconjugated, Polyclonal                                    |
| Biozol Catalog Number      | ABB-A23681                                                                                     |
| Supplier Catalog Number    | A23681                                                                                         |
| Alternative Catalog Number | ABB-A23681-20UL, ABB-A23681-100UL                                                              |
| Manufacturer               | ABclonal                                                                                       |
| Host                       | Rabbit                                                                                         |
| Category                   | Antikörper                                                                                     |
| Application                | ELISA, WB                                                                                      |
| Species Reactivity         | Human                                                                                          |
| Immunogen                  | Recombinant protein (or fragment).This information is considered to be commercially sensitive. |
| Conjugation                | Unconjugated                                                                                   |
| Clonality                  | Polyclonal                                                                                     |
| Molecular Weight           | 13kDa                                                                                          |
| NCBI                       | <a href="#">9167</a>                                                                           |
| UniProt                    | <a href="#">O14548</a>                                                                         |
| Purity                     | Affinity purification                                                                          |

|                    |                                                                                                                                                                                                  |
|--------------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Application Dilute | WB,1:1000 - 1:5000 ELISA,Recommended starting concentration is 1 µg/mL. Please optimize the concentration based on your specific assay requirements.                                             |
| Application Notes  | Cross-Reactivity: Human. ResearchArea: Cancer,Signal Transduction,Endocrine Metabolism,Mitochondrial metabolism,Mitochondrial markers,Neuroscience,Neurodegenerative Diseases. Shipping: Ice Bag |
