## Product Datasheet

### **Anti-ATP8/MT-ATP8 Antibody Picoband Fluoro647 Conjugated, Rabbit, Polyclonal BOB-A33371-1-FLUORO647**

|                            |                                                                                          |
|----------------------------|------------------------------------------------------------------------------------------|
| Article Name               | Anti-ATP8/MT-ATP8 Antibody Picoband Fluoro647 Conjugated, Rabbit, Polyclonal             |
| Biozol Catalog Number      | BOB-A33371-1-FLUORO647                                                                   |
| Supplier Catalog Number    | A33371-1-Fluoro647                                                                       |
| Alternative Catalog Number | BOB-A33371-1-FLUORO647-100UG                                                             |
| Manufacturer               | Boster Bio                                                                               |
| Host                       | Rabbit                                                                                   |
| Category                   | Antikörper                                                                               |
| Application                | FC                                                                                       |
| Species Reactivity         | Mouse, Rat                                                                               |
| Immunogen                  | A synthetic peptide corresponding to a sequence at the C-terminus of mouse ATP8/MT-ATP8. |
| Clonality                  | Polyclonal                                                                               |
| Concentration              | Adding 0.2 ml of distilled water will yield a concentration of 500 µg/ml.                |
| Molecular Weight           | Calculated Molecular Weight: 8 kDa                                                       |
| NCBI                       | <a href="#">17706</a>                                                                    |
| UniProt                    | <a href="#">P03930</a>                                                                   |

|                    |                                                                                                              |
|--------------------|--------------------------------------------------------------------------------------------------------------|
| Buffer             | Each vial contains 50% glycerol, 0.9% NaCl, 0.2% Na <sub>2</sub> HPO <sub>4</sub> , 0.02% NaN <sub>3</sub> . |
| Purity             | Immunogen affinity purified.                                                                                 |
| Form               | Liquid                                                                                                       |
| Target             | ATP synthase F(0) complex subunit 8                                                                          |
| Application Dilute | Flow Cytometry, Optimal dilutions should be determined by end users.                                         |
