## Product Datasheet

### Anti-KIAA0182/GSE1 Antibody Picoband Fluoro647 Conjugated, Rabbit, Polyclonal BOB-A11186-1-FLUORO647

|                            |                                                                                                             |
|----------------------------|-------------------------------------------------------------------------------------------------------------|
| Article Name               | Anti-KIAA0182/GSE1 Antibody Picoband Fluoro647 Conjugated, Rabbit, Polyclonal                               |
| Biozol Catalog Number      | BOB-A11186-1-FLUORO647                                                                                      |
| Supplier Catalog Number    | A11186-1-Fluoro647                                                                                          |
| Alternative Catalog Number | BOB-A11186-1-FLUORO647-100UG                                                                                |
| Manufacturer               | Boster Bio                                                                                                  |
| Host                       | Rabbit                                                                                                      |
| Category                   | Antikörper                                                                                                  |
| Application                | FC                                                                                                          |
| Species Reactivity         | Human, Mouse                                                                                                |
| Immunogen                  | E.coli-derived human KIAA0182/GSE1 recombinant protein (Position: L445-A1191).                              |
| Clonality                  | Polyclonal                                                                                                  |
| Molecular Weight           | Calculated Molecular Weight: 136 kDa                                                                        |
| NCBI                       | <a href="#">23199</a>                                                                                       |
| UniProt                    | <a href="#">Q14687</a>                                                                                      |
| Buffer                     | Each vial contains 50% glycerol, 0.9% NaCl, 0.2% Na <sub>2</sub> HPO <sub>4</sub> , 0.02% Na <sub>3</sub> . |
| Purity                     | Immunogen affinity purified.                                                                                |

|                    |                                                                      |
|--------------------|----------------------------------------------------------------------|
| Form               | Liquid                                                               |
| Target             | Genetic suppressor element 1                                         |
| Application Dilute | Flow Cytometry, Optimal dilutions should be determined by end users. |
