| Conjugation                | BF350                                                                                                                                                                                                                                                   |
| Product Description        | Transcription activator that binds DNA cooperatively with DP proteins through the E2 recognition site, 5-TTTC[CG]CGC-3 found in the promoter region of a number of genes whose products are involved in cell cycle regulation or in DNA replication.... |
| Clonality                  | Recombinant                                                                                                                                                                                                                                             |
| Concentration              | Lot dependent                                                                                                                                                                                                                                           |
| NCBI                       | <a href="#">1869</a>                                                                                                                                                                                                                                    |
| UniProt                    | <a href="#">Q01094</a>                                                                                                                                                                                                                                  |

|                    |                                                                                                        |
|--------------------|--------------------------------------------------------------------------------------------------------|
| Buffer             | Aqueous buffered solution containing 0.01M TBS (pH7.4) with 1% BSA, 0.02% Proclin300 and 50% Glycerol. |
| Source             | KLH conjugated synthetic peptide derived from human E2F1                                               |
| Purity             | Purified by Protein A.                                                                                 |
| Target             | E2F1                                                                                                   |
| Antibody Type      | Primary Antibody                                                                                       |
| Application Dilute | WB(WB(1:500-2000)), FCM(FCM(1:50-100)), IF(IHC-P)(IF(IHC-P)(1:50-200)), IF(ICC)(IF(ICC)(1:50-200))     |
