## Product Datasheet

### Recombinant Human CXCL10/IP-10 Protein, N-His-SUMO & C-Strep, E. coli PTG-ARO-P11711

|                            |                                                                                            |
|----------------------------|--------------------------------------------------------------------------------------------|
| Article Name               | Recombinant Human CXCL10/IP-10 Protein, N-His-SUMO & C-Strep, E. coli                      |
| Biozol Catalog Number      | PTG-ARO-P11711                                                                             |
| Supplier Catalog Number    | ARO-P11711                                                                                 |
| Alternative Catalog Number | PTG-ARO-P11711-50, PTG-ARO-P11711-100, PTG-ARO-P11711-1                                    |
| Manufacturer               | ProteoGenix                                                                                |
| Host                       | E. coli                                                                                    |
| Category                   | Proteine/Peptide                                                                           |
| Species Reactivity         | Human                                                                                      |
| Molecular Weight           | 22.27 kDa                                                                                  |
| UniProt                    | <a href="#">P02778</a>                                                                     |
| Buffer                     | Lyophilized from a solution in PBS pH 7.4, 0.02% NLS, 1mM EDTA, 4% Trehalose, 1% Mannitol. |
| Expression System          | Prokaryotic expression                                                                     |
| Sequence                   | Val22-Pro98                                                                                |
