| Format                     | IgG                                                                                                                          |
| Target Specificity         | IgG (Fc)                                                                                                                     |
| Cross-Adsorption (MinX)    | Human                                                                                                                        |
| Product Description        | Goat Anti-Mouse IgG-PE antibody with minimal reactivity to human proteins for use in flow cytometry and multiplex assays.... |
| Clonality                  | Polyclonal                                                                                                                   |
| Isotype                    | IgG                                                                                                                          |
| Form                       | Purified                                                                                                                     |
| Antibody Type              | Secondary Antibody                                                                                                           |
