| Conjugation                | TRITC                                                                                                                                           |
| Format                     | IgG                                                                                                                                             |
| Target Specificity         | IgG2a (Fc)                                                                                                                                      |
| Cross-Adsorption (MinX)    | Human                                                                                                                                           |
| Product Description        | Goat Anti-Mouse IgG2a-TRITC antibody with minimal reactivity to human proteins for use in immunohistochemistry / immunocytochemistry assays.... |
| Clonality                  | Polyclonal                                                                                                                                      |
| Isotype                    | IgG                                                                                                                                             |
| Form                       | Purified                                                                                                                                        |
