| Application                | ELISA                                                                                                                            |
| Species Reactivity         | Mouse                                                                                                                            |
| Conjugation                | HRPO                                                                                                                             |
| Format                     | IgG                                                                                                                              |
| Target Specificity         | IgG3 (Fc)                                                                                                                        |
| Cross-Adsorption (MinX)    | Human,Bovine,Equine                                                                                                              |
| Product Description        | Goat Anti-Mouse IgG3-HRP antibody with minimal reactivity to human, bovine, and horse serum proteins for use in ELISA assays.... |
| Clonality                  | Polyclonal                                                                                                                       |
| Isotype                    | IgG                                                                                                                              |
| Form                       | Purified                                                                                                                         |
| Antibody Type              | Secondary Antibody                                                                                                               |
