| Category                   | Antikörper                                                                                                                                                                               |
| Application                | ELISA, FC, ICC, IHC-Fr, IHC-P, WB                                                                                                                                                        |
| Species Reactivity         | Rat                                                                                                                                                                                      |
| Conjugation                | Biotin                                                                                                                                                                                   |
| Format                     | IgG                                                                                                                                                                                      |
| Target Specificity         | IgG+IgM (H+L)                                                                                                                                                                            |
| Cross-Adsorption (MinX)    | Mouse                                                                                                                                                                                    |
| Product Description        | Goat Anti-Rat Ig-Biotin antibody with minimal reactivity to mouse proteins for use in ELISA, flow cytometry, immunohistochemistry / immunocytochemistry, and western blotting assays.... |
| Clonality                  | Polyclonal                                                                                                                                                                               |
| Isotype                    | IgG                                                                                                                                                                                      |
| Form                       | Purified                                                                                                                                                                                 |
