| Species Reactivity         | Rabbit                                                                                                                                                                                |
| Conjugation                | Unconjugated                                                                                                                                                                          |
| Format                     | IgG                                                                                                                                                                                   |
| Target Specificity         | IgM (μ)                                                                                                                                                                               |
| Cross-Adsorption (MinX)    | Human,Mouse,Rat,Bovine,Hamster (armenian),Goat,Sheep,Gallus,Guinea pig                                                                                                                |
| Product Description        | Purified Goat Anti-Rabbit IgM antibody with minimal reactivity to human, mouse, rat, bovine, hamster, goat, sheep, chicken, and guinea pig serum proteins for use in ELISA assays.... |
| Clonality                  | Polyclonal                                                                                                                                                                            |
| Isotype                    | IgG                                                                                                                                                                                   |
