| Article Name               | Mouse IgG anti-Human IgG4 (Fc)-RPE, MinX none                                     |
| Biozol Catalog Number      | SBA-9200-09                                                                       |
| Supplier Catalog Number    | 9200-09                                                                           |
| Alternative Catalog Number | SBA-9200-09                                                                       |
| Manufacturer               | SouthernBiotech                                                                   |
| Host                       | Mouse                                                                             |
| Category                   | Antikörper                                                                        |
| Application                | FC, FLISA, Multiplex Assay                                                        |
| Species Reactivity         | Human                                                                             |
| Conjugation                | RPE                                                                               |
| Format                     | IgG                                                                               |
| Target Specificity         | IgG4 (Fc)                                                                         |
| Cross-Adsorption (MinX)    | no cross-adsorbtion                                                               |
| Product Description        | PE Anti-Human IgG4 Fc antibody for use in flow cytometry and multiplex assays.... |
| Clonality                  | Monoclonal                                                                        |
| Clone Designation          | [HP6025]                                                                          |
| Isotype                    | IgG1                                                                              |
| Form                       | Purified                                                                          |
