| Manufacturer               | EXBIO                                                                                                                                                   |
| Category                   | Antikörper                                                                                                                                              |
| Application                | WB, ELISA, ICC                                                                                                                                          |
| Species Reactivity         | Plant                                                                                                                                                   |
| Immunogen                  | Horseradish peroxidase (Grade I)                                                                                                                        |
| Clonality                  | Monoclonal                                                                                                                                              |
| Concentration              | 1 mg/ml                                                                                                                                                 |
| Clone Designation          | [HP-03]                                                                                                                                                 |
| Isotype                    | IgG1                                                                                                                                                    |
| Buffer                     | Phosphate buffered saline (PBS), pH 7.4, 15 mM sodium azide                                                                                             |
| Storage                    | 2°C to 8°C                                                                                                                                              |
| Antibody Type              | Monoclonal Antibody                                                                                                                                     |
| Application Notes          | Immunocytochemistry: The antibody HP-03 was successfully used for staining of formaldehyde-fixed, Triton-permeabilized cells transfected with HRP gene. |
