## Product Datasheet

### Anti-HIV-1 capsid protein p24 Purified, Clone: [ND1], Monoclonal EXB-11-327-C025

|                            |                                                                  |
|----------------------------|------------------------------------------------------------------|
| Article Name               | Anti-HIV-1 capsid protein p24 Purified, Clone: [ND1], Monoclonal |
| Biozol Catalog Number      | EXB-11-327-C025                                                  |
| Supplier Catalog Number    | 11-327-C025                                                      |
| Alternative Catalog Number | EXB-11-327-C025                                                  |
| Manufacturer               | EXBIO                                                            |
| Category                   | Antikörper                                                       |
| Application                | WB, ELISA, ICC                                                   |
| Species Reactivity         | Virus                                                            |
| Immunogen                  | HIV-1 p24 C-terminal peptide.                                    |
| Clonality                  | Monoclonal                                                       |
| Concentration              | 1 mg/ml                                                          |
| Clone Designation          | [ND1]                                                            |
| Isotype                    | IgG1                                                             |
| Buffer                     | Phosphate buffered saline (PBS), pH 7.4, 15 mM sodium azide      |
| Storage                    | 2°C to 8°C                                                       |
| Antibody Type              | Monoclonal Antibody                                              |
