## Product Datasheet

### **5 nm (1-mercaptoundec-11-yl) tetraethyleneglycol stabilized gold nanoparticles (Hydrophilic) NNP-3013-80MG**

|                            |                                                                                              |
|----------------------------|----------------------------------------------------------------------------------------------|
| Article Name               | 5 nm (1-mercaptoundec-11-yl) tetraethyleneglycol stabilized gold nanoparticles (Hydrophilic) |
| Biozol Catalog Number      | NNP-3013-80MG                                                                                |
| Supplier Catalog Number    | 3013-80MG                                                                                    |
| Alternative Catalog Number | NNP-3013-80MG                                                                                |
| Manufacturer               | Nanoprobes                                                                                   |
| Category                   | Sonstiges                                                                                    |
