| Host                       | Mouse                                                                                                                                                                                                   |
| Category                   | Antikörper                                                                                                                                                                                              |
| Application                | WB                                                                                                                                                                                                      |
| Species Reactivity         | Human, Primate                                                                                                                                                                                          |
| Conjugation                | Biotin                                                                                                                                                                                                  |
| Product Description        | Monoclonal antibody specific for IL-2, This monoclonal antibody is suitable for detection of human IL-2 using Western blot., The monoclonal antibody cross-reacts with IL-2 from non-human primates.... |
| Clonality                  | Monoclonal                                                                                                                                                                                              |
| Clone Designation          | [MT2A91]                                                                                                                                                                                                |
| Isotype                    | IgG2b                                                                                                                                                                                                   |
| NCBI                       | <a href="#">3558</a>                                                                                                                                                                                    |
| Target                     | IL-2                                                                                                                                                                                                    |

|                   |                                                                                                                                                                                                                                                                                                                         |
