| Alternative Catalog Number | LKT-E6880-25,LKT-E6880-50,LKT-E6880-100                                                          |
| Manufacturer               | LKT Labs                                                                                         |
| Category                   | Biochemikalien                                                                                   |
| Product Description        | Isothiocyanate found in cruciferous vegetables, analog of sulforaphane, telomerase inhibitor.... |
| Molecular Weight           | 161.29                                                                                           |
| Purity                     | 98%                                                                                              |
| CAS Number                 | [4430-36-8]                                                                                      |
| Formula                    | C <sub>6</sub> H <sub>11</sub> NS <sub>2</sub>                                                   |
| Application Dilute         | Soluble in DMSO to 75 mM, and ethanol to 75 mM.                                                  |
