| Article Name               | Ferulic Acid, CAS [[1135-24-6]]                                                     |
| Biozol Catalog Number      | LKT-F1669                                                                           |
| Supplier Catalog Number    | F1669                                                                               |
| Alternative Catalog Number | LKT-F1669-5,LKT-F1669-25,LKT-F1669-100                                              |
| Manufacturer               | LKT Labs                                                                            |
| Category                   | Biochemikalien                                                                      |
| Product Description        | Hydroxycinnamic acid found in various plant sources, metabolite of verbascoside.... |
| Molecular Weight           | 194.18                                                                              |
| Purity                     | 98%                                                                                 |
| CAS Number                 | [1135-24-6]                                                                         |
| Formula                    | C10H10O4                                                                            |
| Application Dilute         | Soluble in hot water, or ethyl acetate. DMSO: 39 mg/mL, Ethanol: 39 mg/mL           |
