## Product Datasheet

### 1-Isothiocyanato-6-(methylsulfinyl)-hexane, CAS [[4430-35-7]] LKT-I7457

|                            |                                                                                                                 |

| Article Name               | 1-Isothiocyanato-6-(methylsulfinyl)-hexane, CAS [[4430-35-7]]                                                   |
| Biozol Catalog Number      | LKT-I7457                                                                                                       |
| Supplier Catalog Number    | I7457                                                                                                           |
| Alternative Catalog Number | LKT-I7457-5,LKT-I7457-25,LKT-I7457-50,LKT-I7457-100                                                             |
| Manufacturer               | LKT Labs                                                                                                        |
| Category                   | Biochemikalien                                                                                                  |
| Product Description        | Synthetic derivative of 6-methylsulfinyl-hexane iosthiocyanate, analog of sulforaphane, GSK-3beta inhibitor.... |
| Molecular Weight           | 205.34                                                                                                          |
| Purity                     | 98%                                                                                                             |
| CAS Number                 | [4430-35-7]                                                                                                     |
| Formula                    | C8H15NOS2                                                                                                       |
