## Product Datasheet

### **S-(N-3-Phenylpropylthiocarbamoyl)-L-cysteine, CAS [[137915-13-0]] LKT-P2816**

|                            |                                                                   |
|----------------------------|-------------------------------------------------------------------|
| Article Name               | S-(N-3-Phenylpropylthiocarbamoyl)-L-cysteine, CAS [[137915-13-0]] |
| Biozol Catalog Number      | LKT-P2816                                                         |
| Supplier Catalog Number    | P2816                                                             |
| Alternative Catalog Number | LKT-P2816-100,LKT-P2816-500,LKT-P2816-1                           |
| Manufacturer               | LKT Labs                                                          |
| Category                   | Biochemikalien                                                    |
| Product Description        | Cysteine-ITC conjugate....                                        |
| Molecular Weight           | 298.42                                                            |
| Purity                     | 98%                                                               |
| CAS Number                 | [137915-13-0]                                                     |
| Formula                    | C13H18N2O2S2                                                      |
| Application Dilute         | Soluble in DMSO (4 mg/mL), water.                                 |
