| Article Name               | Cadherin 17 (SP183), IgG, Rabbit, Monoclonal                                         |
| Biozol Catalog Number      | VIT-MAD-000737QD-12                                                                  |
| Supplier Catalog Number    | MAD-000737QD-12                                                                      |
| Alternative Catalog Number | VIT-MAD-000737QD-12                                                                  |
| Manufacturer               | VITRO                                                                                |
| Host                       | Rabbit                                                                               |
| Application                | IHC                                                                                  |
| Species Reactivity         | Human                                                                                |
| Immunogen                  | Synthetic peptide corresponding to the C-terminal fragment of the human cadherin 17. |
| Clonality                  | Monoclonal                                                                           |
| Clone Designation          | SP183                                                                                |
| Isotype                    | IgG                                                                                  |
| Buffer                     | PBS                                                                                  |
| CAS Number                 | 14 days                                                                              |
