| Product Description        | Glucagon-like peptide-1 (GLP-1(7-37) and GLP-1(7-36)amide, N-terminal specific), IgG2a/k, Clone: 10, Mouse, Monoclonal... |
| Clonality                  | Monoclonal                                                                                                                |
| Clone Designation          | 10                                                                                                                        |
| Isotype                    | IgG2a/k                                                                                                                   |
| NCBI                       | <a href="#">2641</a>                                                                                                      |
| Purity                     | protein A/G purified (from culture supernatant)                                                                           |

|               |                                                 |
|---------------|-------------------------------------------------|
| Form          | protein A/G purified (from culture supernatant) |
| Caution       | NULL                                            |
| Antibody Type | Monoclonal Antibody                             |
