## Product Datasheet

### Anti-alpha-gal epitope [m86], Human IgM, kappa, Monoclonal ABA-AB00532-15.0-BT

|                            |                                                                                                                                               |
|----------------------------|-----------------------------------------------------------------------------------------------------------------------------------------------|
| Article Name               | Anti-alpha-gal epitope [m86], Human IgM, kappa, Monoclonal                                                                                    |
| Biozol Catalog Number      | ABA-AB00532-15.0-BT                                                                                                                           |
| Supplier Catalog Number    | Ab00532-15.0-BT                                                                                                                               |
| Alternative Catalog Number | ABA-AB00532-15.0-BT                                                                                                                           |
| Manufacturer               | Absolute Antibody                                                                                                                             |
| Host                       | Human                                                                                                                                         |
| Category                   | Antikörper                                                                                                                                    |
| Application                | ELISA, FC                                                                                                                                     |
| Species Reactivity         | All                                                                                                                                           |
| Product Description        | Rabbit red cells, on which alpha-gal is the major carbohydrate epitope, were injected into alpha 1,3 galactosyltransferase knock-out mice.... |
| Clonality                  | Monoclonal                                                                                                                                    |
| Clone Designation          | [m86]                                                                                                                                         |
| Isotype                    | IgM                                                                                                                                           |
| Pubmed                     | <a href=https://pubmed.ncbi.nlm.nih.gov/11090880 target=_blank rel=nofollow>11090880                                                          |
| Buffer                     | PBS only.                                                                                                                                     |
| Source                     | Mouse                                                                                                                                         |

|               |                      |
|---------------|----------------------|
| Target        | alpha-gal epitope    |
| Antibody Type | Recombinant Antibody |
