| Alternative Catalog Number | ABA-AB00579-1.1                                                                                                                                                           |
| Manufacturer               | Absolute Antibody                                                                                                                                                         |
| Host                       | Mouse                                                                                                                                                                     |
| Category                   | Antikörper                                                                                                                                                                |
| Application                | ELISA, FC, IP                                                                                                                                                             |
| Species Reactivity         | All                                                                                                                                                                       |
| Product Description        | Purified MBP-gp120 (HIV-1) reduced using tris(2-carboxyethyl)phosphine (TCEP, 2.5 mM) for 20 minutes and alkylated using NEM (5 mM solubilized in PBS) for 30 minutes.... |
| Clonality                  | Monoclonal                                                                                                                                                                |
| Clone Designation          | [OX-133]                                                                                                                                                                  |
| Isotype                    | IgG1                                                                                                                                                                      |
| Buffer                     | PBS with 0.02% Proclin 300.                                                                                                                                               |
| Source                     | Mouse                                                                                                                                                                     |
| Target                     | N-ethylmaleimide cysteine                                                                                                                                                 |
