| Alternative Catalog Number | ABA-AB00774-1.7                                                                             |
| Manufacturer               | Absolute Antibody                                                                           |
| Host                       | Mouse                                                                                       |
| Category                   | Antikörper                                                                                  |
| Application                | Crystallography, ELISA                                                                      |
| Species Reactivity         | Virus                                                                                       |
| Product Description        | This antibody was raised against Poxvirus L1 Protein....                                    |
| Clonality                  | Monoclonal                                                                                  |
| Clone Designation          | [Fab 7d11]                                                                                  |
| Isotype                    | F(ab)2                                                                                      |
| Buffer                     | PBS with 0.02% Proclin 300.                                                                 |
| Source                     | Mouse                                                                                       |
| Target                     | Poxvirus L1 Protein                                                                         |
| Antibody Type              | Recombinant Antibody                                                                        |
